NOTES FOR THE GUIDANCE OF REFEREES

The referee's report is an important part of the selection process. It would be of great assistance if you could provide a reference in the space overleaf, certifying the applicant's fitness for admission to a Law School. Referees must know the applicant for **at least three (3) years**.

The Regulations require that a person so certifying must be one of the following:

- (i) a Judge of a Superior Court; or
- (ii) an Attorney-at-Law who has been admitted to practice for at least **seven years**; or
- (iii) a Magistrate with a minimum of **three years'** experience; or
- (iv) a Principal of an Educational Institution; or
- (v) a Medical Officer who has been registered to practice for at least **seven years**.

The Referee must also state the number of years they have held their current position.

Any information provided will be held in confidence and used only for admission purposes.
